May 2: SALT Crew

May 3: Open Practice for Presentations

May 9th: Coastal Plains Chicken Show

The ability to clearly communicate an idea to others is a powerful tool. It is also a necessary skill that will help your youth reach many goals in life.

**4-H Presentations** are a long-standing program offered to youth. Youth present on a topic of their choice and compete at the county, district and state level with other youth their age. Awards are given at each level.

**Join us for our Presentation Workshops, beginning April 5th to learn more!**

# Livestock and Poultry

1. [Youth Livestock Programs](#)
2. [Dairy Youth Programs](#)
3. [NC 4-H Horse Program](#)

## Presentation Workshop Series

We will host a presentation workshop series to assist youth with their preparation for County and District Activity Day.

April 5th: Introduction to Presentations

April 19th: Putting a Presentation Together

May 3rd: Open Practice for Presentations

May 18th: County Activity Day

June 1st: Open Practice for Presentations

June 16th: District Activity Day

We are in need of judges to assist with County Activity Day. Judges are expected to watch presentations and provide feedback. This feedback will be used as youth prepare for District Activity Day in June.

If you are willing to help, please email [clbell2@ncsu.edu](mailto:clbell2@ncsu.edu).

**Tractor Supply Company - money raised during this campaign stays right here in our county!**

**Spring Paper Clover Event: April 27-May 8**

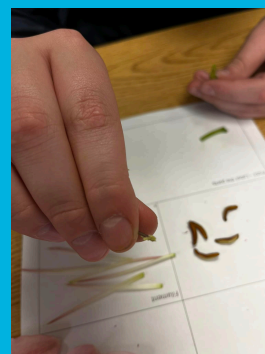

**Fall Paper Clover Event: October 5 - October 16**

If you are interested in helping with the paper clover campaign, please email [clbell2@ncsu.edu](mailto:clbell2@ncsu.edu).

## 4-H is Making the Best Better

Impact 4-H Club tackled the front door area at the Carteret County Humane Society, giving it a beautiful facelift. Go by there and check it out!

7th graders at Morehead City Middle School are studying plant breeding and genetics.

We completed a plant dissection lesson with them and will host a guest speaker in April.

Our SALT Crew had the opportunity to participate in an Entrepreneurship Workshop with the Small Business Center.
