### Paper Clover Campaign

Tractor Supply proudly began our partnership with 4-H in 2010 and we have since helped raise over \$14 million through our Paper Clover fundraisers.

The success of these campaigns has impacted over 69,000 students by providing them with hands-on learning experiences through projects in STEM, agriculture, healthy living, and civic engagement.

One hundred percent of funds raised through our two Paper Clover fundraisers directly benefit 4-H and the kids and teens they work with - 90% of donations directly support 4-H youth in the state it was raised, and the remaining 10% supports national 4-H programming.

**Campaign Dates: April 26 - May 7**
