## Coastal Plains Chicken Project

The 2023 Coastal Plains Chicken Project is an opportunity for 4-H'ers to learn how to raise chickens while learning showmanship and record-keeping skills.

The Chicken Show will be held Tuesday, May 9 at the Lenoir County Livestock Arena, located next to the Lenoir County Extension Office, 1791 Hwy 11/55, Kinston.

Families should bring chairs, supplies needed for the show, the layers they plan to show and all broilers.

**Carteret, Duplin and Onslow Counties are doing a SOCK FUNDRAISER to raise money to help cover the cost of transportation to and from Summer Camp.**

Online store is open April 24 - May 19  
<https://go.ncsu.edu/socks>

**How can you help?**

1. **Buy a pair of socks.**
2. **Send the link to friends and family.**

## *4-H is Making the Best Better*

4-H'ers made Easter Cards for Carteret Landing and Crystal Bluffs.

7th graders at Morehead City Middle School zoomed with Dr. Khushi Goda, a Computational Geneticist, to discuss algorithms and plant breeding.

While visiting Childcare Network in Morehead City, we discussed moon phases and used Oreos to make our own examples.
